

**BAMA is proud to announce its 26th Annual
Scholarships for Manufacturing Education
Kelly Murphy Memorial Golf Tournament**

Friday, April 28, 2017

7:30 am: Breakfast buffet is open  9:00 am: Shotgun Start

**The Forest Course at The Eagles
16101 Nine Eagles Drive, Odessa, Fla. 33556**

BAMA is excited to have **Steve "The Predator" Monroe** as our long-drive hitter this year. Steve broke the record with a 467-yard drive in the Colorado Mile High Shoot Out and has established himself as one of the nation's best Long Drive Champions. He finished in the top 10 in the 2007 ReMax Long Drive Championship in Mesquite, Nevada.

Since 1992, BAMA has awarded approximately \$170,000 in scholarships; science fair prizes; support for robotics teams; and STEM summer camps. Our scholarships for continuing education at the college level, as well as vocational training for hands-on skilled jobs, and our veterans scholarships have helped young people achieve dreams of working in good jobs in manufacturing.

By supporting education that benefits domestic manufacturers, BAMA is making a difference in our local economy. Investing in manufacturing education will help to keep both jobs and manufacturing growing in Tampa Bay.

Cash prizes for top teams!
