With Internet marketing becoming more complex and challenging by the day, successful execution requires a solid education. As an industry leader, Straight North supports students pursuing degrees in science, technology, engineering and math (STEM) disciplines. Through the Straight North STEM Scholarship, we award the winning student \$1,000 to be used toward his or her degree. In addition, we award \$250 book scholarships to the two runners-up. The deadline to apply for the Straight North STEM Scholarship is August 1, 2018. Winners will be announced August 15.
