Dear Ms. Burton:

Thank you for your support of the Pinellas Education Foundation and its programs. We have received your generous donation of \$1,000.00 in support of Bay Area Manufacturers Scholarship.

Our mission is to enhance and improve educational opportunities in Pinellas County Schools. Each year approximately 1,500 students apply for scholarships funded by donors through the Foundation. Through the generous support of individuals like you, we were able to supply more than 150 different scholarships to deserving students. Your support sends a powerful message that you recognize the value of education and its impact on our future.

Your financial support has a profound influence on the lives of many hard-working and deserving students and is greatly appreciated by the Pinellas Education Foundation.

Sincerely,

Terry A. Boehm
