To Whom It May Concern:

On behalf of the Trinity Robotics Teams, #6430 and #6430B, we want to thank you for your generous sponsorship in assisting these teams to attend the World Competition in Kentucky as well as buying necessary equipment for the next season. This club is comprised predominately of homeschool children who compete in VEX Robotics competitions (www.vexrobotics.org). The objective of these programs is to encourage students to participate in STEM activities and ultimately pursue a career either in science, technology, engineering or math.

Your financial support is an important part to ensure the ongoing success of the Trinity Robotics Team. These eight students greatly appreciate your generosity and support. Thank you once again for your donation.

Trinity Robotics operates under the Tampa Bay Robotics Foundation, Inc. It is a recognized 501 (c) (3) not-for-profit organization; Federal Tax ID number: 46-1087010. A copy of our tax-exempt certification letter is attached.

Sincerely,

Coach Raymond Carr
