Bay Area Manufacturers' Association

*Scholarships to support
manufacturing education*

Every year BAMA awards scholarships to outstanding students planning to enter educational pathways that support manufacturing in the greater Tampa Bay area (Hillsborough, Pinellas, and Pasco counties) with scholarships. At least one scholarship of \$500 is offered every year. However, the number and amount of the awards varies every annually depending on the funds raised.

All students planning to enter or continue enrollment in a technical school, state or community college, or 4-year university program that supports the manufacturing industries in the Tampa area, is urged to apply. The application form is posted on www.bama-fl.org.
